No. CV-24-00317-TUC-CKJ

ORDER

15 The Court, having reviewed the parties' Joint Case Management Report and having
16 conducted a Scheduling Conference on **October 10, 2024**,

17 **IT IS ORDERED** that the parties abide by the following schedule and rules:

18 A. **Initial disclosures**, under Federal Rules of Civil Procedure ("Federal Rules")
19 26(a)(1) have been exchanged. The Court notifies the parties that to satisfy the requirement
20 of Rule 26, the parties shall file a Notice of Service of discovery papers with the Clerk of
21 the Court, rather than copies of actual disclosures. See Rules of Practice of the United
22 States District Court for the District of Arizona, Civil ("Local Rules") 5.2.

23 B. **The Federal Rule of Civil Procedure, Rule 15**, shall apply for any joinder
24 of additional parties or to amend the pleadings.

25 C. **Expert Testimony**, pursuant to Federal Rule 26(a)(2), shall take place as
26 follows: Plaintiff shall notice initial expert testimony on or before **March 14, 2025**. Notice
27 of Defendant's initial expert testimony pursuant to Federal Rule 26(a)(2) shall take place
28

1 on or before **April 15, 2025**. Notice of rebuttal expert testimony shall be completed on or
2 before **May 1, 2025**.

3 D. **Fact witnesses** shall be disclosed by name (i.e., a witness list) to be used at
4 trial pursuant to the provisions of Federal Rule 26(a)(3) on or before **March 14, 2025**.

5 E. **All discovery**, including depositions of parties and witnesses, shall be
6 completed by **May 15, 2025**.

7 1. Generally, the limits on discovery are as set forth in Federal Rules 30,
8 31, and 33, except requests for production are 50 per party, including subparts, and requests
9 for admissions are 50 per party, including subparts.

10 2. Notwithstanding any provisions of the Federal Rules or any other
11 provisions of this Order, non-party witnesses shall not be allowed to attend, physically,
12 electronically or otherwise, the deposition of any other witness in this case without an
13 Order of the Court to the contrary.

14 3. The parties and counsel are reminded of their duty under Federal Rule
15 26(e) to supplement all Rule 26(a) disclosures and responses to discovery requests.
16 Pursuant to Rule 26(e)(1), any additions or other changes to information previously
17 disclosed must be made prior to the time that Rule 26(a)(3) Pretrial Disclosures are due.
18 *This Order contemplates that all exhibits and witnesses that may be offered at trial will*
19 *have been disclosed before the close of discovery.* This Order, therefore, supersedes the
20 "30 days before trial" disclosure deadline contained in Rule 26(a)(3). Therefore, (1) failure
21 to timely supplement Rule 26(a) disclosure, including but not limited to witnesses and
22 exhibits, or (2) failure to timely supplement responses to any valid discovery requests, or
23 (3) attempting to include any witnesses or exhibits in the Proposed Final Pretrial Order that
24 were not previously disclosed in a timely manner as to allow for meaningful discovery
25 prior to the discovery cutoff date, may result in the exclusion of such evidence at trial or
26 the imposition of sanctions.

27 4. Pursuant to Local Rule 7.2(j), parties must personally consult and
28 make a sincere effort to resolve a discovery dispute before seeking the Court's assistance.

1 If the parties are unable to resolve a discovery dispute, the parties shall notify the Court by
2 calling the law clerk, Greer Barkley, by telephone at (520) 205-4550. Written briefs shall
3 be filed only at the direction of the Court.

4 F. Pursuant to Federal Rule of Evidence 502:

5 1. The production of privileged or work-product protected documents,
6 electronically stored information (ESI) or information, whether inadvertent or otherwise,
7 is not a waiver of the privilege or protection from discovery in this case or in any other
8 federal or state proceeding. This order shall be interpreted to provide the maximum
9 protection allowed by Federal Rule of Evidence 502(d).

10 2. Nothing contained herein is intended to or shall serve to limit a party's
11 right to conduct a review of documents, ESI, or information (including metadata) for
12 relevance, responsiveness and/or segregation of privileged and/or protected information
13 before production.

14 G. **Dispositive motions** shall be filed on or before **June 16, 2025**.

15 1. If a party seeks oral argument on a motion, the party shall request it at
16 the time the motion or response is filed, pursuant to Local Rule 7.2(f).

17 2. Pursuant to Local Rule 7.2, parties may file a motion, response and
18 reply. No additional briefing on a motion is allowed unless leave of Court is granted.
19 Failure to file a response may be deemed a consent to a granting of the motion. A response
20 must be served and filed within fourteen (14) days of service of the motion; the moving
21 party has seven (7) days from service to serve and file a reply. Federal Rule 56 motions
22 for summary judgment and Federal Rule 12(b)(1) motions to dismiss for lack of subject
23 matter jurisdiction provide an exception to the above time limits – time for response is
24 thirty (30) days and for reply fifteen (15) days. See L.R. 56.1(d). Unless otherwise
25 permitted by the Court, a motion or response, inclusive of supporting memorandum but
26 exclusive of attachments and statement of facts, shall not exceed seventeen (17) pages; a
27 reply shall not exceed eleven (11) pages.

28 3. The Court advises the parties that the Local Rule requirement that

1 “[a]ny party opposing a motion for summary judgment shall file a statement, separate from
 2 that party’s memorandum of law, setting forth . . . for each paragraph of the moving party’s
 3 separate statement of facts, a correspondingly numbered paragraph indicating whether the
 4 party disputes the statement of fact set forth in that paragraph and a reference to the specific
 5 admissible portion of the record supporting the party’s position if the fact is disputed ... [.]”
 6 L.R.Civ. 56.1, shall only apply to material facts that establish or dispute a genuine issue in
 7 dispute.

8 4. Any pleading which is submitted with more than one exhibit must be
 9 accompanied by a Table of Contents. The exhibits must be indexed with tabs that
 10 correspond to the Table of Contents.

11 5. Absent exigent circumstances, the Court will not consider pleadings
 12 which do not conform to these requirements.

13 H. Plaintiff and counsel shall file a brief Joint Settlement Status Report
 14 (containing no specific settlement terms or offers) on or before **February 3, 2025**, and
 15 every three (3) months thereafter. Should this action be resolved through settlement, the
 16 parties shall advise the Court within ten (10) days of settlement.

17 I. The **Joint Proposed Pretrial Order (Pretrial Statement)** shall be filed
 18 **within thirty (30) days after resolution of dispositive motions** filed after the end of
 19 discovery. If no such motions are filed, a Joint Proposed Pretrial Order will be due on or
 20 before **June 16, 2025**. The content of the proposed pretrial order shall include, but not be
 21 limited to, that prescribed in the **Form of Pretrial Order attached hereto**.

22 1. Pursuant to Federal Rule 37(c), the Court will not allow the parties to
 23 offer any exhibits, witnesses or other information that were not previously disclosed in
 24 accordance with the provisions of this Order and the Federal Rules of Civil Procedure, or
 25 not listed in the Proposed Pretrial Order, except for good cause.

26 2. The attorneys for each party who will be responsible for trial of the
 27 lawsuit shall appear and participate in a Pretrial Conference to be scheduled by the Court
 28 after receipt of the pretrial order. Because Pretrial Conferences are held for the parties'

1 benefit, and because the parties' presence will facilitate frank discussion of the pertinent
2 issues in the lawsuit, each party or a representative with binding settlement authority shall
3 attend the Pretrial Conference.

4 3. Parties are directed to the District of Arizona website located at
5 www.azd.uscourts.gov for instructions on marking and submitting exhibits including
6 exhibit lists and witness lists for trial or evidentiary hearings. Parties are responsible for
7 providing their own exhibit tags. Plaintiff must use yellow tags which are marked
8 commencing with number 1. Defendant must use blue tags which are numbered
9 sequentially following the last number used by Plaintiff. Counsel shall submit the witness
10 and exhibit lists to the Deputy Clerk no later than the morning of trial. Copies of exhibits
11 for the Judge shall be in a tabbed binder.

12 J. For a **trial before the Court**, rather than to a jury, the parties shall submit
13 with their Proposed Pretrial Order, **Proposed Findings of Fact and Conclusions of Law**.
14 They shall be submitted in both written format and emailed to the chambers email address,
15 see infra, in a format compatible with Microsoft Word.

16 K. **Motions in limine** shall be filed along with the Proposed Pretrial Order.
17 Responses to motions in limine are due fourteen (14) days after the motion is filed. No
18 replies are permitted. Each motion in limine shall include the legal basis supporting it.
19 Any hearing on motions in limine will be set at the Pretrial Conference.

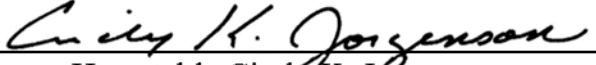

20 L. All non-dispositive motions shall be accompanied by a form of order for the
21 Court's signature. Pursuant to Local Rule 7.1(b)(2), the form of order shall be prepared on
22 a separate document containing the case caption. The form of order shall not contain the
23 parties' letterhead. The proposed form of order shall be emailed to the chambers email
24 address: jorgenson_chambers@azd.uscourts.gov. ECF Administrative Policies and
25 Procedures Manual, § II.G.1.c.

26 M. Motions for extensions of any of the deadlines set forth above shall be
27 governed by Federal Rule 16 and Local Rule 7.3. A motion for continuance shall be filed
28 prior to the expiration of the deadline. See Local Rule 7.3. The schedule set forth in this

1 Order may only be modified with leave of Court and upon a showing of good cause. See
2 Federal Rule 16(b); *Johnson v. Mammoth Recreations, Inc.*, 975 F.2d 604, 607-10 (9th Cir.
3 1992) (requiring a showing of good cause under Rule 16 to amend complaint beyond the
4 scheduling order deadline). Additionally, any motion for continuance of a discovery
5 deadline, including a stipulation, shall set forth specifically what discovery has been
6 conducted to date, the discovery to be completed, and the reasons why discovery has not
7 been completed within the deadline.

8 This order contemplates that each party will conduct discovery in such a manner as
9 to complete, within the deadline, any and all discovery. "Last minute or eleventh hour"
10 discovery which results in insufficient time to undertake additional discovery, and which
11 requires an extension of the discovery deadline will be met with disfavor, and could result
12 in denial of an extension, exclusion of evidence, or the imposition of other sanctions.
